The incoming and the retiring Chancellors

"My Commencement" is one of the fondest dreams of the undergraduate. It is certainly an event to be cherished. We hope that these pictures capture the spirit of this occasion, and that alumni, young and old, shall always remember their "place in the line," and shall grow to become like the gentlemen at the right—Alumni Exornati—distinguished in life, honored by the University, and always cherishing Sewanee.

## CHANCELLOR

THE RT. REV. FRANK ALEXANDER JUHAN, D. D.

> Chancellor of the University of the South and Bishop of Florida

The Right Reverend Frank A. Juhan, Bishop of the Diocese of Florida, has served in the capacity of Chancellor of the University for six of Sewanee's most crucial years. During this period he has earned a high place on the roll of distinguished churchmen who have served as the University's titular head.

### NEW VICE-CHANCELLOR

The past term has seen the first year of Dr. Boylston Green's tenure of the University's most important office, that of Vice-Chancellor and President. The year has been a difficult one, affording every trial to the new Vice-Chancellor, but Dr. Green has demonstrated throughout his abilities and capacity. Although much of his time has necessarily been spent away from the Mountain, these travels have been of the greatest service to the University in disseminating Sewanee's unique message throughout the country, and meanwhile Mrs. Green has carried on here at the University as his unofficial representative in many respects. Dr. and Mrs. Green have endeared themselves to the student body during the comparatively brief time they have been at Sewanee, and they and Sewanee men everywhere look forward with confidence to the future, knowing that the University is in safe and reliable hands.

The St. Lukes Society was first organized in 1946, growing out of the old St. Luke's Missionary Society. Made up of the entire Theological School student body, the society has as its aims the integration of all activities, and a closer connection of the alumni to the school. To accomplish these successfully the society has an organization of six major committees and an executive council, which cooperate to carry out the most important activities including missionary aids, lectures, social functions, intra-mural athletics, grievances between students and faculty, and publication of the "Theolog," school and alumni newspaper. The outstanding social events of the year were a banquet on St. Luke's Day and a picnic held in the spring.

### ORDER OF GOWNSMEN

The Order of Gownsmen was founded in 1873 and has since evolved into the governing body of the students in the College of Arts and Sciences. Members of the Order include Juniors and Seniors in the College who have met certain scholastic requirements and all of the students in the School of Theology. The gown, symbolic "of high and pure learning which is the ideal of the University," is worn to all classes and in Chapel. Definite privileges and responsibilities are extended to members; to them "is entrusted the maintenance of student traditions and time-honored customs of Sewanee."

The Executive Committee of the Order of Gownsmen is composed of the President, Vice-President, and Secretary of the Order, one representative from each fraternity and one nonfraternity representative. It has the power to authorize presidential action, to schedule full meetings of the Order, and prepare the agenda for them. It hears all reports of standing committees and serves as a commission for general election. It confers with the officers in an advisory capacity.

### TENNESSEE BETA CHAPTER

Phi Beta Kappa, national honorary scholastic society, is the oldest fraternity in the country, having been founded at the College of William and Mary in 1776. Its purpose is that of promoting scholarship among college students, and the prestige of Phi Beta Kappa is so great that its golden key is the most coveted award in American universities. The Chapter at Sewanee, known as Tennessee Beta, was established in 1926. An undergraduate who has completed five semesters with an average of 92. or six semesters with an average of 90, is eligible for election to membership.

Omicron Delta Kappa was founded December 3, 1914, at Washington and Lee University in the tradition of the idealism and leadership of George Washington and Robert E. Lee. The Alpha Alpha Circle at Sewanee was installed during 1929. Omicron Delta Kappa holds the place in extra-curricular activities which Phi Beta Kappa holds in scholastic achievement and membership in this fraternity is one of the highest honors attainable by a Sewanee student. Only three percent of the student body can be elected to membership, and these are chosen exclusively from the Order of Gownsmen.

Blue Key is both an honorary leadership fraternity and a service group with chapters on seventy-eight college campuses throughout the country. It elects men of good character and personality who are recognized as leaders in scholarship and college activities and who show potentiality of further achievement. The Sewanee chapter selects its membership from the Order of Gownsmen, tapping twice a year at the Thanksgiving and Spring Germans. As a service group, Blue Key undertakes projects every year with the purpose of furthering the interests of the University and community. It entertains guest speakers, visitors from other colleges, and teams coming to debate tournaments and varsity athletic events on the Mountain. It sponsors the inter-fraternity singing contest held each spring, awarding a cup to the winning organization, and maintains a calendar of campus activities. It furnishes ushers for concerts, lectures, and Purple Masque productions. Through its biennial convention and its quarterly publication, Blue Key performs a valuable service, creating good will and exchanging ideas on problems common among American colleges and universities.

The position of Proctor is one of the highest positions a student at Sewanee can attain. These men are elected each year by the proctors of the preceding year with the approval of the Vice-Chancellor, the Dean of the College, and the Dean of Men, and they are chosen for their leadership ability. Proctors form the necessary link between the Administration and the student body in maintaining order and discipline in the dormitories and the dining halls.

Each year Who's Who Among Students in American Universities and Colleges recognizes students from approximately six hundred colleges and universities in the United States and Canada. In selecting students to be recommended, the campus nominating committee considers outstanding effort and accomplishment in academic work, extracurricular activities, and service to the University. Inclusion in the publication is a national honor and serves as an incentive to scholarship and service.

### HONOB COUNCIL

Left to Right: Bowman, Cheatham, R. E. Simmons, Bunnell. Not Pictured: Cowling, Fraser, Patterson.

Early in the life of the University, the student body was given the authority to regulate the conduct of its members. An honor system was adopted and has continued, with some modifications, to the present day. Upon entering the University, every student accepts the Honor Code, which says in part, "That any adequate conception of Honor demands that a man shall not lie or cheat or steal . . . " Enforcement of the Code is the responsibility of the entire student body, and infractions are referred to the Honor Council, which is composed of two seniors, two juniors, one sophomore, one freshman. and one theological student, all elected annually by their respective classes. This committee is empowered to secure withdrawal of any student from the University found quilty of violating the Honor Code. The trust placed in the men elected to the Honor Council can hardly be exaggerated, for of all Sewanee's customs and traditions, none is more vital than our Honor System. Without it, Sewanee would not be Sewanee, and it is a credit to the University that the Honor Council's powers so seldom need be invoked.

The Pan-Hellenic Council promotes better feeling among, and bind together the nine national social fraternities on the Mountain. This inter-fraternity council governs, to a great extent, the activities of each house, and establishes rushing rules and policies for each season. Each fraternity is represented by two members: its president and a member elected for a term of one year.

The service of the University Choir is essential to the traditional beauty and dignity of the daily and Sunday devotions in All Saints' Chapel. Under the expert direction of Mr. Paul S. McConnell it has attained an excellence seldom equalled by college groups. Each year the choir presents special programs at Christmas, Easter, and Commencement. This year the choir presented programs in Chattanooga and Atlanta.

### STUDENT VESTRY

Left to Right, Front Row: Elebash, Belshaw, Stoney, Bedell, Wyatt-Brown, Second Row: Chaplain Wilmer, Price, Pickard.

The Student Vestry is a representative body of students elected from the classes, whose aim is the development of the religious life of the University by: acting as an advisory council to the Chaplain in expressing the wishes and needs of the students and in aiding the Chaplain in his work; initiating and fostering such local plans and organizations as will further the cause of the Christian religion at Sewanee; and affiliating with religious organizations and movements in other colleges and universities.

The Acolyte Guild, along with serving its ultimate purpose of adding dignity and beauty to the services in All Saints' Chapel sponsors a drive to purchase milk for the negro school children of Sewanee. The Guild meets regularly for discussion of religious topics and instruction in the art of serving at the altar. Through their service to the Chapel the members of the Acolyte Guild make an essential contribution to the life of the campus.

Sopherim is the mother chapter of the national honorary literary fraternity, Sigma Upsilon. Founded here in 1903 as Sopherim Literary Society, it took the lead the following year at a meeting of similar societies from six other Southern colleges in establishing the national fraternity. Members are elected to the local chapter from the student body in impartial competition solely on the literary merit of original papers submitted to the group. Submissions are not limited as to subject and may be in the forms of poetry, fictional and non-fictional prose, translation and drama. Sopherim meets to review and criticize papers submitted to it by members and by those seeking membership, Discussion on topics of literary interest are led by either members or one of the faculty. Sopherim sponsors the literary magazine "Helikon."

The Helikon staff, elected by Sopherim, publishes the undergraduate literary magazine at the University. This publication is designed to encourage the more serious and capable writers of the student body to display their talents in the field of literary endeavor and to give to the entire Mountain an idea of what is being accomplished in this field. A membership in Sopherim is not required and submission may be of poetry, prose, translation, short stories, essays, criticisms, plays, sonnets, or satire.

## SEWANEE PURPLE

THE SEWANEE PURPLE is the official organ of the students of the University of the South. In setting forth the purposes of the staff, Editor George Reynolds wrote, "First, the PURPLE can give a comprehensive picture of current events on the Sewanee campus at intervals of two weeks; second, it can provide a medium of expression, a means of development, and a great deal of fun for those students who wish to avail themselves of the opportunity which membership on the staff affords; third, a critically minded PURPLE can render service by recognizing the good and pointing out the defects and imperfections which we find in current projects and events . . Editorially, our real hope is to be constructive. We believe in Sewanee, we like things around here, and the criticism we have to offer will be based upon the relation of a particular subject to the goal set for us by Dr. Green, 'the Sewanee that must be.' Although we do not admire 'yes' men, the naively satisfied, the indolently uncritical, we have a particular aversion to, and hereby declare editorial war upon the 'no' men, the destroyers, the cynics, the aimless rebels.'' With the issue of January 10, 1950, THE SEWANEE PURPLE became a weekly publication.

### DEBATE COUNCIL

### First Row: Mead, McNutt, Second Row: A. B. Reynolds, Ellis, Harwell, Bartlett,

The Debate Council sponsors the intercollegiate and intramural forensic activities of the University, including all single debates, tournaments and University contests. Reactivated two years ago after several years of wartime inactivity, the Debate Council's teams participated in state, regional, and national tournaments. The Council reinstated the University Forensic contests, placing them on an intramural basis. It, also, sponsored an eight college Sewanee Pre-Season Debate Tournament. Teams were again sent to various other debating and speaking contests.

In the spring of 1948 a number of undergraduates formed the Sewanee Music Club, the purpose of which is to further the musical education and appreciation of its members by exchange of knowledge and talent, and also to stimulate a deeper understanding of music among Sewanee students and residents. Program-meetings are held twice each month, at which time students and members of the faculty have presented illustrated talks on a variety of subjects ranging from the harpsichord to the modern jazz idiom. This year they have presented the tenor, Robert Rounseville, and the Julliard String Quartet in concert.

Membership in Purple Masque, the dramatic society of the University, is attained through the accruement of twenty-five points earned by backstage and acting participation in the plays. The 1949-'50 season included the usual variety of productions ranging from the classic drama to the modern farce. The first presentation, Christopher Marlowe's Dr. Faustus, played a major part in Sewanee's Goethe Festival. The Playboy of the Western World, Synge's comedy, was the next production. The annual workshop one-act plays were presented ably in the Ormond-Simkins Gymnasium. In observance of the Lenten Season, Purple Masque cooperated with the English-Speaking Union to produce Everyman, the classic morality play. The last presentation was Shakespeare's Henry IV. Part I.

Alpha Psi Omega, largest of the national honorary collegiate dramatic fraternities, selects its members in recognition of meritorious work in college dramatics. It is the custom of the Sewanee cast, Beta Tau, to undertake one project each year: the presentation of three one-act plays in conjunction with Purple Masque. These plays are directed by members of Alpha Psi Omega. Beta Tau limits its membership to fitteen students, all selected from Purple Masque, and sligibility is determined by a point system, based on both acting and backstage work.

GERMAN CLUB The Sewanee German Club is composed of two members from each fraternity, two from the non-fraternity group, four officers elected by the Club, and a faculty member appointed by the Administration. Through the capability of its president, Maurice Heartfield, and hard work of its members, the Club has proved its efficiency even more this year. Since its reorganization three years ago the Club has been able to bring such big name entertainers as Sonny Dunham, Francis Craig, Owen Bradley and Snooky Lanson, Clyde Trask, Dean Hudson, and Criss Cross to the mountain. More elaborate decorations have also been noticeable. As for its purpose, the German Club is directly responsible for the production of the University dances, and it thereby sets the tone of Sewanee's social life. The Club engages the orchestras, manages equipment, finances, decorations, and refreshments for each function.

The Wellington Club was first conceived in the summer of 1948 by a group of twelve free-thinking individuals who had gained a "full realization of our great Anglo-Saxon heritage and wished to perpetuate these ideals." Membership in the Wellingtonians is restricted to eighteen and invitations are extended once each year. These invitations are followed by an elaborate initiation featuring trumpet fanlares and bewigged peers. The Wellingtonians flatly renounce beer as a beverage and drink mead instead. A Wellingtonian may be recognized by the cane he often carries, his enthusiasm for the English ideals and customs, and his willingness to chip in on a keg. Mr. Martin and Professor Dugan are the faculty advisers.

Los Peones, a purely academic organization, was founded in November of 1948, for the dual purpose of increasing proliciency in conversational Spanish and of promoting amiability among the students on the campus. The organization has a maximum membership of lifteen, who must either have already completed two semesters of Spanish, or be in the process of completing them at the time of election. Senores Lewis and Cromer serve as faculty advisers, but the major portion of the operations are carried out by the members. Their badge of distinction is the serape and sombrero which are worn at the various social functions held throughout the year. Although they call beer beer, they profess a distinct preference for tequila.

The membership of the "S" Club is composed of the men who have earned a letter in a varsity sport. Their chief activity this year has been the operation of a snack bar at all of the football and basketball games. The proceeds from the snack bar are used to purchase equipment for the smoother running of athletic events, such as a basketball scoreboard. The varsity participation trophy, which the "S" Club first sponsored two years ago, is, perhaps, the award most coveted by the fraternities. The cup is awarded to the fraternity which can boast the greatest number of lettermen and squad members participating in the varsity sports.

The Intramural Athletic Council under the leadership of Athletic Director Gordon M. Clark, supervises Sewanee's intramural sports program, consisting of five major sports and various competitions. The Council is composed of members from each fraternity, the Outlaws, and the Theologs. It draws up the schedule and rules governing each sport and awards points toward the Intramural Cup to the winning teams. The Cup is won by the organization having the greatest number of points at the end of the school year. The interest shown in these sports and its guidance make Sewanee's one of the outstanding intramural systems.

Looking back over the Tigers' 1949 football season we find several outstanding things that will long be remembered in Sewanee football history.

Along with having another successful season, (4-2-1), Coach Bill "Buckwheat" White's Tiger men stood out in almost every department. To begin with there were two "Theologs" on the squad, namely, tackle and Captain, Bob Snell, and guard, "Cotton" Richardson. Snell has the distinction of being the first "Theolog" to Captain a Sewanee football team in two decades. These two men consistently turned in good performances, and "Cotton's" kicking was one of the greatest assets the team could have.

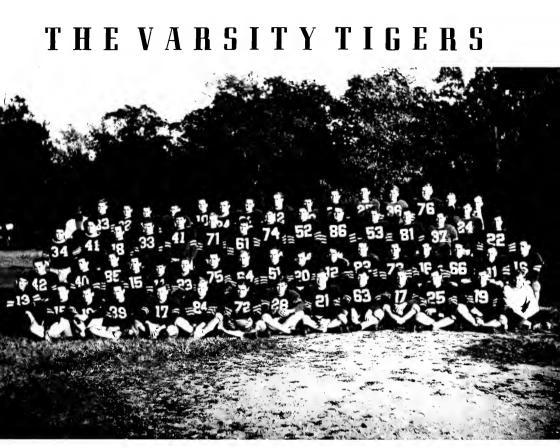

On defense there were two performers that could not be replaced under any conditions. Center Frank Watkins backed up the line with tremendous skill and Football Coach, Bill White

as Mississippi College gridmen will testify, he can also ruin an opponent's passing attack. The other defensive standout was little 140 lb. Jim Ed Mulkin who thrilled football fans throughout the season with his outstanding kick returns. He made four kick returns for touchdowns, the runs, ranging anywhere from 35 to 95 yards, were a brilliant display of broken field running. By doing this, he saved Sewanee from a shutout defeat at the hands of Southwestern, and also made our trip to St. Louis well worth while by ruining the possibilities of our not scoring against a powerful Washington University combine.

Throughout the season the Sewanee Tigers displayed that spirit for which her teams have been noted since the early days of football on the mountain.

### GRADUATING SENIORS

Every year an athletic team has to expect the loss of some of its most valuable players. This year eight men played their last game for Sewanee. These men, who are pictured below, played outstanding ball throughout their stay at Sewanee, and Coach White will have a difficult time finding replacements who will show as much fight, ability, and school spirit as these men did.

The Tiger and the Lynx met on foreign ground in Decatur, Alabama, in the season opener for both teams, and fought to a 7-7 tie.

The game was uneventful throughout most of the first three quarters, until Crumby passed to end Doyle for the Lynx's first touchdown. The extra point was added by Sparks, who together with Crumby and Jack Dunerant, shared the spotlight for the boys from Memphis.

The Tigers came right back with a touchdown scored by diminutive Jim Ed Mulkin on an 81 yard kickoff return. Freshman end

Bill Porter added the extra point that tied up the game. Richardson was a standout in the line for the Purple Tigers. Sewanee outgained Southwestern 111 yards to 80 yards, but the Lynxs piled up the most first downs, 12 to the Tiger's 9.

With the exception of the late third and the early fourth quarter action, the only other important thrust of the game was made by Sewanee, who went to the Lynx's one yard line just before the half ended. Sewanee's break had come on a pass interception, but time had run out before the Tigers had had a chance to capitalize upon it.

## SEWANEE .... 21 MILLSAPS COLLEGE 12

By scoring twice early in the game, the Tigers of Sewanee ruined any hope entertained by the Majors of Millsaps of victory. The Mississippians, playing before a home crowd in Jackson, were stunned into inaction by the swiftness of the Tiger attack.

The first score came on a pass from Frank Alford to Cotton Miller, good for twenty yards and the marker. Porter booted the first of three extra points.

Soon after, little Jim Ed Mulkin, Tiger safety man, returned a punt 85 yards for a second Sewanee score.

Just before the half, freshman back T. W. Lewis of the Majors scored his team's first touchdown on a 23 yard jaunt. The try for point was bad, making the score at halftime 14 to 6, with the Tigers holding down the larger end of the tally.

In the third period, Dud Colhoun scored from the 6 yard stripe, and Porter kicked his third extra marker to bring the Sewanee scoring to an end.

Late in the fourth quarter, Billy Melton of the Majors scored from the four to add six points Millsaps' total. The try for extra point was not good, and the game ended, favoring the boys from the "Mountain" by a 21 to 12 score.

The purple and white of Sewanee went after another scalp for their victory belt, and managed to bring in a 21 to 0 win over the Mississippi College Choctaws in a game played on Hardee Field.

The Tigers scored in the first quarter after Hannah had fallen on a Mississippi fumble on the visitors' 18 yard line. Dudley Colhoun went over from here and Porter converted to make the count 7 to 0.

Later in the third period, the men from the "Mountain" fought their way down to the Choctaw two, but could not score and a kicking duel ensued. Early in the fourth quarter, Frank Watkins intercepted a pass and scampered 53 yards to a score. Porter again converted making the score 14 to 0.

It was Watkins again on a second interception that set up the third Sewanee score, after he carried the ball to the 32 from the 50. Quarterback Sonny Hall flipped a pass to Porter for the final score of the game. Porter made the third of his extra points for the afternoon, another perfect day's work, and the Tigers had their second straight victory.

The Seminoles of F.S.U. went on the warpath and hacked their way through the fog on Hardee Field, to emerge 6 to 0 victors over the Tigers of Sewanee. The Mountain men put up a game fight against the team that outweighed them nearly 20 pounds to the man, and it was not until late in the fourth quarter that the single score of the game was made.

The Tigers made their strongest bid for glory in the first quarter, driving deep into the Floridians' territory on two separate occasions. The Seminoles dominated play throughout the second and third quarters.

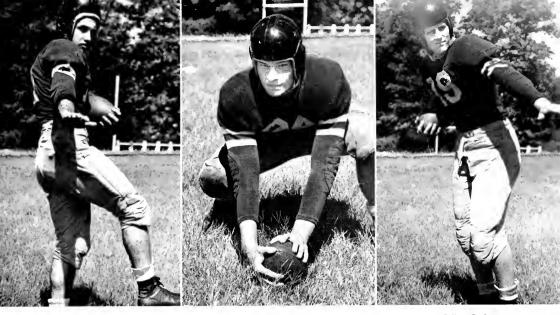

The break came in the fourth quarter, when speedy "Red" Parrish raced over from 18 yards out for the score. During the F.S.U. drives, Parrish, Walter Foy and Buddy Strauss formed the head of the Seminole battering ram. Cotton Richardson's kicking for the Tigers was outstanding, as was Nick Willard's play in the line.

The boys from sunny Florida outgained the Tigers 179 yards to 57 and made nine first downs to Sewanee's six.

The loss was Sewanee's first of the season, while it left the Seminoles undefeated.

The Praying Colonels of Centre College didn't pray hard enough, and lost a 26 to 7 football decision to the Tigers from Sewanee before a home crowd in Danville, Kentucky.

A pair of Tiger touchdowns came in the second quarter, the first by Alford from 7 yards out, after he had passed first to Porter and then to McDavid to set up the score, and the second on a freak pass by Colhoun into the end zone, finally being caught by Billy Nichols. Colhoun passed to Lamb from the 47, the play carrying to the 24. Another pass from Colhoun to Lamb put the ball on the 4 yard stripe, and when the pass went to Lamb in the end zone, it was deflected into Nichols' arms. Porter converted for the extra point.

The Kentuckians scored in the third quarter on a pass from Vince Donnelly to Hower Rice, good for 42 yards and six points. Joe Brummett split the uprights for the extra point.

Another pair of Sewanee scores came in the fourth quarter. Jim Ed Mulkin set up the first by intercepting a pass on the Sewanee 25. Colhoun heaved one to Miller, the latter going all the way to the Centre 8. Zeke McDavid later plunged over from the one. Porter kicked the point.

The last Tiger score came on a kick runback by Mulkin, the little back going all the way from the 46 to score.

Tiger met Tiger on Hardee Field, and clawed away at one another until the Purple one of Sewanee won out over the Silver and Red one of Hampden-Sydney by a 12 to 2 score.

A Sewanee drive carried all the way down to the Virginians' 15 yard line, but bogged down during the first quarter and refused to move on. During the second phase of the half, a wild pass from center went over Colhoun's head into the end zone, and when he recovered it, he was smothered by Hampden-Sydney men, causing a two point safety.

No more scoring came until the fourth quarter. Mulkin sparked a Sewanee drive to the Virginians' 35 yard stripe, but a pass thrown by Alford was intercepted. In the final five minutes, Alford intercepted a pass and then flipped one to Porter, who went 22 yards to the one, from which Alford lugged it across.

A Chapman pass was intercepted by Sewanee's Chuck Cheatham on the 42. Cheatham went all the way to the one, where Zeke McDavid cracked over for the final counter.

Richardson and Chapman engaged in several punting duels during the game, these being responsible for the absence of earlier scores.

A raring Purple Tiger aggregation journeyed to St. Louis for their final game of the season, only to be pawed into submission by a Washington Bear who found Tiger meat to his liking. He didn't find it easy going though, and was foiled in his attempt to score his fifth consecutive shut-out, for the score was 19-7.

Bob Clodfelter swashed over from the Sewanee 11 during the second quarter. Neither team had threatened during the first stanza of the battle. The Bears were resting on the Tiger one yard line at the half.

Washington began to move again in the fourth quarter, Ralph Stocker heaving to Bob Lynn for a first down on the Purple 19. Stocker later scored from the one and then booted the extra point.

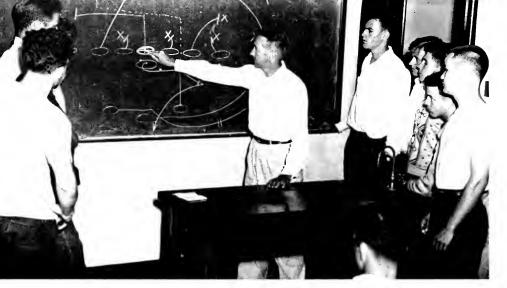

On the ensuing kickoff, Mulkin electrified the crowd by racing 90 yards for the lone Sewanee score. Porter converted to make it 13-7.

Washington came back for a final six pointer, with Charley Stephens going over from the six inch line to add to the Bear total.

The Missourians made 18 first downs to the Tennessean's 7, and gained 365 yards to the Tiger's 138.

This year B-team coach Varnell led about thirty Tiger Cubs through their drills in an attempt to give them the know-how and ability to help them make the varsity next year. All of the hard work that Coach Varnell and his men have done this season will be evident in the next few years when most of these men will become regulars on the Tiger football team.

HEAD BASKETBALL COACH Lon S. Varnell

The 1949-50 Sewanee basketball season ended with a better than average record although it did not quite measure up to last year's all-time record for Tiger hoopsters.

Early in the season the team's high hopes were shaken by the loss of guard Joe Hall, who was one of the most outstanding players ever to wear the purple and white. Hall holds the all-time record for points scored in one game by a Tiger player, a mark which he reached last season.

In the opening game Coach Varnell's men surprised everyone by handing favored Middle Tennessee State a 54-41 defeat. But things did not look quite as bright when Centre College downed the Sewanee five in two straight games, although the scores were close.

A turn for the better came during Christmas holidays when the team toured Florida, beating Florida Southern and dropping a hardfought game to powerful Tampa University.

By the end of the first semester the Purple Tigers were rolling along with a good start behind the sharpshooting of Vernon Waddy and newcomer Buck Cain. But when the new semester started the team had lost some of its most valuable players, and Coach Varnell had to form practically a new team from a handful of regulars, some improved reserves, and several men who entered the University in February.

From there on out Sewanee had an on and off season, with the team being sparked in each game by first one player and then another.

Buck Cain was probably the most consistent player in the second half of the season, and as captain he led the team through most of the remainder of the season by chalking up high scoring in almost every game.

"Cotton" Miller surprised everyone with his tremendous improvement in both guarding and hitting the basket from the sidelines. Dudley Colhoun hit the peak of his four year career on the team and showed much fight and spirit.

Newcomer Jim Rox had to fill the gap at center, and turned in fine work for his first year in college ball. He did good work on the backboards and piled up a large number of points.

Two other newcomers, Hayes and Crawford, added much to the balancing of the team, as did freshman Johny Buckner, who showed much ability and much promise for future seasons.

One of the better points of the season was the success that Billy Bomar had in coaching the B team. Many of his charges showed steady improvement during the season, and two of them were moved up to the varsity during the year.

Led by such stalwarts as Captain Tommy Lamb, Art Perkins, Wynn Ragland, Ed Seagram, and Bill Austin, Sewanee's thinly clads of last year had a successful season, winning three meets and losing only one, and that to Vanderbilt. The Tracksters defeated such teams as Middle Tennessee State College, Tennessee Tech, Emory, Southwestern, and Mississippi College.

Under the capable direction of Coach Bridgers, this years team, already in practice, promises to be one of the best ever. Thirteen returning lettermen, including this year's Captain, Art Perkins, will be depended upon to materially aid the cinder team's chances. Both track and field events will be bolstered by the addition of several freshmen to the squad. The distances and sprints are well taken care of, as well as most of the field events, and the Tigers should field a team of which everyone will be justly proud.

### TENNIS

Last year's net team was one of Sewanee's more success-ful sports aggregations. Under Dr. Bruton's competent direction, the racquet men turned in a record of seven wins and three losses. They won over such teams as Louisiana State University, Tennessee, Soutiwestern and Birmingham-Southern, while losing to a strong Kalamazoo team, and to Vandy, Rain cancelled a match in which the Tiger netters

Vandy. Hain cancelled a match in which the Tiger netters were leading the Commodores. The Brutonmen climaxed a successful season by winning the team title in the T.I.A.C. tournament, though none, of the players reached the final round. Last year's top three-John Guerry, Hunley Elebash, and Scott Irvin, were instru-mental in taking the crown. Five returning lettermen, Ivey Jackson, John Lee, Charlie Keyser, Dud Cothoun, and Gordon Warden, will bolter the squad's chances of repeating with another good season. Last year's "B" squad will be looked to for support; some of them probably will be slated to see action in varsity matches. The 1950 golfers will begin their season with only two returning lettermen. Captain Warren Belser will be playing his fourth and last season with the team. His steady seventy golf should be a definite asset to the comparatively green 1950 squad, Bayard Tynes, playing his third year with Sewanee should also be steady. Although there are several sevance should also be steady. ## CROSS COUNTRY

This fall ushered in the second season of cross-country at Sewanee. The team was aided by the skill and experience of three lettermen returning from last year's squad.

Under the competent coaching of Hunley Elebash the Sewanee harriers showed steady improvement throughout the season. Captain Art Perkins consistently broke the time records for each course upon which the Tiger team competed.

The first meet was run against an able and experienced Maryville team, and the Purple and White was defeated. The next meet resulted in an easy win for Sewanee over Oglethorpe, but another loss was then suffered at the hands of the Maryville Highlanders. The team finished the season with a decisive victory over T.P.I.

Sewanee was represented at the Birmingham Road Race by two members of the cross-country team, and Capt. Perkins came through with third place in this major Southern race. At the end of the season seven runners received letters, those being Art Perkins, Henry Harris, Wynne Ragland, John Stewart, Holt Hogan, Elliott Puckette, and Bill Pilcher.

#### Henry Harris, KA, is shown driving home to victory in the annual Cake Race.

## CAKE RACE

Every fall the freshmen are required to run in what is called "the Cake Race" but this race is not restricted from the rest of the school. This year Henry Harris, KA, was the first man to cross the finish line but was not followed closely enough by his teammates to place as a team. The ATO team took first honors and was led by Puckette. Also sharing the winning points were the Outlaws and the Phi Gamma Deltas.

## INTRAMURAL FOOTBALL

The 1949 intramural football race was one of the closest and most hectic seasons ever played on the closest and most hectic seasons ever played on the SAEs, the Phi Gams and the Sigma Nus were champions. The SAEs, the Phi Gams and the Sigma Nus all finished with an 8-2 record. The Fijis drew a bye, and the SAEs drew the SNs in the first pairing of the playoff. In one of the closest games of the season, Warden and Monroe sparked the Sigma Nus over Apperson's Minerva men 7-6. The Snakes advanced to the finals against the Phi Gamma Deltas. Warden and Company scored first, but the Fijis came back to score twice; once on an intercepted pass by Waddy, and again on a Waddy to Harper touchdown throw. The Sigma Nus scored in the final minutes by another Warden to Monroe pass, thereby winning their third straight intramural football crown.

The ATOs, KAs, Phis, and Delts all showed brilliant streaks during the season, but were not consistent enough to keep ahead of the pack. The ATOs got off to a slow start, but finished by snatching the football crown from the SAEs. Boult and Hall were outstanding in the 13-0 win. Bob Logan spearheaded the KAs hot and cold team to an upset win over the then undefeated Phis 12-0. A tie with the Delts and a loss to the SAEs put the KAs in fifth place with the Phis.

Ralph Roscher and the Delts were a constant threat, but finished in seventh place. The Phis were tied for first at midseason, but folded badly and finished behind the ATOs. The SAEs deserve special praise for their never-say-die spirit, generally called "horse shoe." Led by Apperson, Lockard, and Dyer, they tied or won four games in the last minute of play.

The Theologs and Kappa Sigs both played several close games, and made a better showing than last year. The Betas and Outlaws were both hampered by a lack of players.

The league leading Sigma Nus were defeated by the intramural All-Stars 34-25 in the annual Blue Key sponsored game. Making use of Logan's and Waddy's backfield speed plus some sticky fingered ends, the All-Stars scored in the early stages of the contest, building up a lead too high for the Snakes to overcome. The All-Stars, picked by the sports staff of the Sewanee "Purple" together with the coaches of the fraternity teams, boasted 13 men from 8 fraternites.

### WINTER — SPRING INTRAMURAL SPORTS

Three major sports take place on the mountain in the latter half of the year, basket-

ball, track, and softball. A great deal of interest is shown in these because the outcome determines the winner of the intramural trophy which goes to the teams which build up the most points in the years play. The point totals also greatly depend on the winners of the minor sports which are handball, badminton, swimming, golf, and tennis.

Tennessee Omega of A.T.O. has shown itself to be strong in all phases of campus activity. The present chapter, which has one of the highest scholastic averages of any A.T.O. chapter in the nation, has had possession of the intramural scholarship cup since 1946. Tennessee Omega holds the varsity participation cup in addition to placing high in the intramural sports program this year. The A.T.O.'s are well represented in all of the campus organizations, honorary and otherwise. Traditional highlights of the Sewanee social calendar are the A. T. O. Spring Tea and the Christmas Open House. In addition to these affairs, the Chapter has had several dances during the year.

The Sewanee chapter of Beta Theta Pi has successfully finished its first year as a chapter in the national fraternity. When Sewanee's expanding enrollment made the addition of a ninth fraternity desirable, the University Administration and Pan-Hellenic Council extended Beta Theta Pi an invitation to colonize. This invitation was in turn considered by Beat's national representatives and was given their enthusiastic endorsement: the Vanderbilt chapter was selected to sponsor the new colony; and from the close of the fall rush season of 1948, the Colony began its full operation so that it might obtain a charter. The chartering ceremony took place on October 27, 1949. Having completely redecorated their house last year, concentration was put on strengthening campus position. They have been represented in most of the University organizations.

The scholastic year 1949-50 was an eventful and a successful year for Alpha Alpha Chapter of the Kappa Alpha Order. On the campus, her members were to be found in all activities, and in many important positions. In athletics, although winning only one major sport, she was a threat in all, and finished well up in the intramural race. In scholarship her members did well, placing only a short distance behind the "brains." The social side of the fraternity was especially bright, with the sixty-eighth annual Robert E. Lee Tea highlighting the more serious side, and a rip-roaring pajama party in December being typical of the fun that she enjoyed. And finally, many improvements were made in the house, with the construction of a new room and a new bar being most prominent.

Tennessee Omega of Kappa Sigma began the school year with a formal dance in their house. After Thanksaiving, they celebrated their Founder's Day with a banquet, followed the next day by a formal, their annual Christmas Ball. The Kappa Sigs kept a full social calendar with many informal picnics and havrides during the year. Their last big party of the year was an informal dance in the late spring. Tennessee Omega again gave a winter open house and one at Commencement. The pledges took as their project for the year the completion of the landscaping in the back of the house, buying shrubs and flowers. The chapter as a whole is taking the huge project of a complete redecoration of the house, including completely new furniture, a new kitchen, large picture windows and many other improvements.

This year has been one of the most successful since Phi Gamma Delta has been on the mountain. They held their annual Homecoming Open House, given by the pledges, and at Commencement their annual Smorgasborg was a highlight of the year's functions. As has been the custom, the Pig Dinner was held in Monteagle. The most outstanding of the many parties they gave was the Fiji Week-end in the spring, which featured a Fiji Island costume party and their spring formal. They continued their program of house improvement begun last year. In athletics, they were ably represented in varsity sports and were always threats in intramurals. The cups they won were the Forensics Cup. Home Decorations Cup. and the Blue Key Song Cup.

## PHI GAMMA DELTA

Tennessee Beta Of Phi Delta Theta has concluded one of its most successful seqsons in years, which began with rush week and ended with Commencement Representing the chapter on most varsity athletic teams of this year was a large contingent of Phis, and many honors were conferred members in the field of scholasticism and school service. In the Intramural Athletic race, they were strong contenders all year, tying for the cup. Parties have definitely not been in the background this year. One of the first social functions was a formal in the fall. The dance week-ends found the chapter with many functions and this spring the annual Spring Formal was held at the House with a large number of young ladies from near and far.

Tennessee Omega of Sigma Alpha Epsilon has completed another year accentuated by active and complete participation in every sphere of student life, and the "Sons of Minerva" continue to hold several primary positions of leadership. To begin the series of Sig Alpha social functions the pledge class of last fall sponsored the annual open house, followed by an informal dance in December. In March, Founders' Day was celebrated at a banquet in Monteagle. A week-end party in March was highlighted by a Bowery Ball. The chapter had participants in most of the varsity athletics, and in the intramural league was a strong contender in all of the sports. After the opening of the basement room, the S. A. E.'s have concentrated on building a patio in the back of their house. They finished the Sewanee season with an open house immediately following Commencement.

The Sigma Nus returned in September and found a newly decorated housenew furniture, drapes and paint. Soon after an open house given by the pledges, the fall formal was held. Various other parties were given to make the year's social calendar complete: however, the most outstanding was the costume party and the White Rose Formal given in the Spring on the same week-end. Sigma Nu was well represented in almost every sport, won several individual sport trophies, and tied for the Intramural Cup. As the year drew to a close, attention was focused on sports, dances, yard improvements, and the interfraternity sing. The Sigma Nus rounded out a successful year in campus activities, sports and social events.
